TRAINING

## Thermal Imaging for Energy Auditors, Crews, and QA Inspectors

**When:** Two Consecutive Days: September 21 and 22, 2010

**Details:** Opportunity to learn how to:

- Understand the condition of the home; identify insulation and air sealing opportunities that would otherwise go undetected
- Identify missed opportunities
- Improve audit efficiencies
- Validate the completeness of air sealing and insulation work
- Provide feedback to crews
- Diagnose the extent of moisture issues
- Develop a scope of work based on findings
- Provide photographic documentation
- Assist in client education

**Location:** Hazelton, PA

**Instructors:** A. Tamasin Sterner of Pure Energy and Larry Armanda of Therma-View Infrared Consultants

**Cost:** \$1,200
